

FeedIn Terms of Service, Privacy Policy & Community Guidelines

Effective Date: 28 January 2026

Last Updated: 29 January 2026

Introduction

This document sets out the terms, policies, and standards that govern access to and use of the FeedIn platform. It combines FeedIn's Terms of Service, Community Guidelines, and Privacy Policy into a single reference for users, partners, and stakeholders.

Welcome to **FeedIn**. This User Agreement and Platform Policies ("Agreement") explain the rules, rights, and responsibilities that apply when you access or use the FeedIn platform, including our mobile applications, websites, features, content, tools, technologies, and services (collectively, the "Platform").

By creating an account or using FeedIn, you confirm that you have read, understood, and agreed to this Agreement. If you do not agree, you should not use the Platform.

About FeedIn

FeedIn is a digital ecosystem designed to support social interaction, content creation, creator monetization, education, business tools, and AI-powered services. The Platform enables users to share videos, photos, text, livestreams, learning materials, and digital products while participating in a credit-based system that allows value exchange within FeedIn.

FeedIn is built on a core principle of separating social interaction, creator monetization, and business and educational services into connected but distinct environments.

Who Can Use FeedIn

You may use FeedIn if you meet the minimum legal age required in your country, which is generally 13 years old. Access to monetization, withdrawals, business tools, or financial features is limited to users who are at least 18 years old and may require identity verification.

By using the Platform, you confirm that you have the legal capacity to enter into this Agreement and that you will comply with all applicable laws and regulations.

Your Account and Security

You are responsible for ensuring that the information you provide during registration is accurate and kept up to date. You must protect your login credentials and are responsible for all activities carried out through your account.

FeedIn may restrict, suspend, or terminate accounts that violate these policies or pose a risk to users, the Platform, or FeedIn's services.

Content and User Conduct

You retain ownership of the content you create and post on FeedIn. By posting content, you grant FeedIn a worldwide, non-exclusive, royalty-free license to host, store, display, distribute, modify, and promote that content as necessary to operate, improve, and grow the Platform.

You are responsible for ensuring that you have the rights to any content you post and that it does not infringe on the rights of others.

Credits and Digital Value

FeedIn operates a credit-based system that allows users to access features, support creators, and purchase digital services within the Platform.

Credits are not legal tender, do not represent real-world currency, and have no value outside FeedIn. Credits cannot be transferred or redeemed outside the Platform unless expressly permitted.

All credit purchases are final and non-refundable, except where refunds are required by applicable law.

Creator Monetization and Earnings

Eligible creators may earn value when users spend credits on their content, services, subscriptions, or digital products. Earnings may be subject to platform fees, identity verification, and compliance checks.

FeedIn does not guarantee earnings, audience size, or visibility. Abuse or manipulation of monetization systems is strictly prohibited.

Livestreams and Digital Gifting

Livestream gifting allows users to voluntarily support creators using credits. Gifts are non-refundable, and FeedIn may apply service or transaction fees.

Any attempt to manipulate gifting systems, artificially inflate engagement, or misuse credits may result in account action.

AI-Powered Tools

FeedIn provides AI-powered tools for content creation, learning, analytics, and automation. AI-generated outputs are provided “as-is,” and users are responsible for how such outputs are used.

FeedIn does not guarantee the accuracy, reliability, or suitability of AI-generated content. Some AI features may require credits or subscriptions.

Subscriptions and Premium Features

FeedIn may offer optional subscription plans that provide enhanced features or benefits. Subscriptions renew automatically unless canceled before the renewal date.

Subscription fees are non-refundable except where required by law. FeedIn may update pricing or features with reasonable notice.

Advertising and Sponsored Content

FeedIn may display advertisements, sponsored content, or promotional materials across the Platform. Users and creators must clearly disclose sponsored or paid content in accordance with applicable laws and FeedIn policies.

Education and Business Services

FeedIn supports online courses, certifications, and business tools. Content providers are responsible for the accuracy and quality of their offerings.

FeedIn acts as a platform, not an employer or academic institution

Consumer Protection

FeedIn operates in line with the Federal Competition and Consumer Protection Act (FCCPA) 2018. Users are entitled to transparent pricing, fair digital transactions, and accessible complaint resolution processes.

Disclaimers and Limitation of Liability

FeedIn is provided on an “as-is” and “as-available” basis. FeedIn does not guarantee uninterrupted service, earnings, or outcomes.

To the extent permitted by law, FeedIn is not liable for indirect, incidental, or consequential damages arising from the use of the Platform.

Termination and Enforcement

FeedIn may suspend or terminate access to the Platform where this Agreement is violated. Users may close their accounts at any time, subject to outstanding obligations.

Governing Law and Dispute Resolution

This Agreement is governed by the laws of the Federal Republic of Nigeria. Disputes will first be addressed amicably and, if unresolved, may be referred to arbitration or competent courts within Nigeria.

FeedIn Community Guidelines

Effective Date: 27 January 2026

Last Updated: 29 January 2026

FeedIn is built to be a safe, respectful, and creative space where people can connect, learn, create, and earn. These Community Guidelines explain what is allowed on the platform and what is not. They apply to all users, content, interactions, and features across FeedIn.

By using FeedIn, you agree to follow these guidelines in addition to our User Agreement and Platform Policies.

Our Community Values

FeedIn is guided by the following principles:

- Respect for people and cultures
- Safety for all users, especially minors
- Authentic expression and creativity
- Fairness in monetization and engagement
- Responsible use of technology and AI

Content or behavior that undermines these values may be removed, and accounts may face restrictions.

Be Respectful and Inclusive

Users must treat others with respect at all times.

You must not:

- Harass, bully, threaten, or shame others
- Use hate speech or discriminatory language
- Target individuals or groups based on race, ethnicity, nationality, religion, gender, sexual orientation, disability, or other protected characteristics
- Encourage self-harm, violence, or abuse

Healthy debate is allowed, but personal attacks are not.

Safety and Protection of Minors

FeedIn has zero tolerance for content that exploits or endangers children.

The following are strictly prohibited:

- Sexual content involving minors
- Grooming, exploitation, or inappropriate communication with minors
- Encouraging dangerous activities involving children

Any such content will be removed immediately and may be reported to relevant authorities.

Content Standards

Users are responsible for the content they post.

Allowed content includes:

- Original videos, images, text, and educational material
- Creative, informative, and entertainment content
- Lawful commentary, opinions, and satire

Content that is not allowed:

- Illegal activities or instructions
- Graphic violence or extreme gore
- Pornographic or sexually explicit content
- False or misleading information presented as fact
- Content that promotes scams, fraud, or financial manipulation

FeedIn may label, limit distribution, or remove content that violates these standards.

Authenticity and Integrity

FeedIn values genuine engagement.

You must not:

- Impersonate individuals, brands, or organizations
- Misrepresent qualifications, credentials, or affiliations
- Use fake accounts or coordinated behavior to inflate views, likes, or gifts
- Mislead users for personal or financial gain

Authentic participation helps keep the platform fair for everyone.

Monetization, Gifts, and Credits

Users and creators must engage honestly with FeedIn's monetization systems.

Prohibited behavior includes:

- Manipulating gifting or credit systems
- Offering or requesting off-platform payments to bypass FeedIn
- Running scams or deceptive fundraising activities

- Misusing AI or automation to generate artificial engagement

Violations may result in loss of monetization privileges or account suspension.

AI-Generated Content

AI tools are provided to support creativity and learning, not to mislead or harm.

Users must not:

- Present AI-generated content as factual when it is not
- Use AI to impersonate real people without consent
- Generate harmful, deceptive, or abusive material using AI tools

Users remain responsible for how AI-generated content is shared and used.

Privacy and Personal Information

Respect the privacy of others.

You must not:

- Share personal or sensitive information without consent
- Doxx, stalk, or track other users
- Post private conversations, images, or data without permission

FeedIn may remove content that violates privacy or data protection laws.

Spam and Platform Abuse

To keep FeedIn usable and enjoyable, spam and abuse are not allowed.

This includes:

- Repetitive or irrelevant posting
- Malicious links or phishing attempts
- Unauthorized bots or scraping tools
- Attempts to disrupt platform services

Reporting and Enforcement

If you see content or behaviour that violates these guidelines, you can report it through FeedIn's reporting tools.

FeedIn may take actions including:

- Content removal
- Warnings
- Temporary restrictions
- Account suspension or permanent removal

Enforcement decisions consider context, severity, and repeat behavior.

Appeals

If you believe an enforcement action was taken in error, you may submit an appeal through FeedIn's support channels. Appeals are reviewed fairly, but decisions may not always be reversed.

Keeping FeedIn Safe

These guidelines may be updated as FeedIn grows. Continued use of the platform means you accept the latest version.

Together, we can keep FeedIn a space that is creative, safe, fair, and welcoming for everyone.

FeedIn Privacy Policy

Effective Date: 27 January 2026

Last Updated: 29 January 2026

FeedIn ("FeedIn", "we", "our", or "us") is committed to protecting your privacy and handling your personal data responsibly. This Privacy Policy explains how we collect, use, share, store, and protect personal information when you use the FeedIn platform, including our applications, websites, features, and services (collectively, the "Platform").

By using FeedIn, you agree to the practices described in this Privacy Policy.

Our Approach to Privacy

FeedIn is built with privacy in mind. We aim to collect only the information we need, use it responsibly, and protect it with appropriate safeguards. We do not sell personal data, and we do not use personal information in ways that are incompatible with the purposes explained here.

Information We Collect

We may collect the following types of information depending on how you use the Platform:

Information you provide directly

- Name, username, email address, phone number
- Account profile details and preferences
- Content you create or upload (posts, messages, media)
- Payment-related information when purchasing credits or subscriptions

Information collected automatically

- Device information, IP address, and browser type
- Usage data such as interactions, views, and activity logs
- Cookies and similar technologies used to operate and improve the Platform

Information from third parties

- Payment processors and service providers
- Identity verification partners (where required)

How We Use Your Information

We use personal data to:

- Create and manage user accounts
- Operate, maintain, and improve FeedIn
- Enable social interaction, monetization, and learning features
- Process payments, credits, and subscriptions
- Provide customer support and respond to inquiries

- Ensure platform safety, security, and compliance
- Comply with legal and regulatory obligations

We do not use personal data for purposes that are incompatible with those listed above.

Prohibited Content & Behaviour

You may not:

- Post illegal, harmful, abusive, or misleading content.
- Harass, exploit, or impersonate others
- Circumvent platform safeguards or payment systems.
- Use FeedIn for fraud, scams, or financial manipulation.
- Attempt to exploit the credit-based economy

FeedIn reserves the right to remove content or restrict accounts at its discretion.

Legal Basis for Processing (Nigeria NDPA)

Where applicable, FeedIn processes personal data based on:

- Your consent
- The performance of a contract with you
- Compliance with legal obligations
- Legitimate interests such as platform security and fraud prevention

You may withdraw consent at any time, where consent is the legal basis for processing.

How We Share Information

We may share personal information:

- With trusted service providers who help operate FeedIn
- With payment and identity verification partners
- Where required by law or regulatory authorities
- To protect the rights, safety, and integrity of FeedIn and its users

We do not share personal data with third parties for advertising resale.

Credits, Monetization, and Transactions

When you purchase credits, send gifts, or earn through the Platform, we process transaction-related data to:

- Complete payments
- Prevent fraud and abuse
- Maintain accurate records

Financial information is handled securely through approved payment partners.

AI Tools and Data Use

FeedIn may use data to improve AI-powered features such as content tools, analytics, and learning services. Personal data is not used to train AI models in a way that identifies individual users unless required for service delivery or permitted by law.

AI-generated outputs are provided as tools, and users remain responsible for how they use them.

Cookies and Tracking Technologies

FeedIn uses cookies and similar technologies to:

- Keep users logged in
- Remember preferences
- Improve performance and functionality

You can manage cookie settings through your device or browser controls.

Data Retention

We retain personal data only for as long as necessary to:

- Provide the Platform and its features
- Meet legal, regulatory, or accounting obligations
- Resolve disputes and enforce agreements

When data is no longer required, it is securely deleted or anonymized.

Your Rights

Users located in Nigeria, and other jurisdictions where applicable, have the right to:

- Access personal data we hold about you
- Request correction of inaccurate or incomplete data
- Request deletion of personal data, subject to legal limits
- Object to or restrict certain processing
- Request data portability where applicable

Requests can be submitted through FeedIn support channels and will be handled within legal timelines.

Data Security

FeedIn uses appropriate technical and organizational measures to protect personal data, including:

- Access controls
- Encryption and secure storage
- Monitoring and incident response procedures

While no system is completely secure, we take reasonable steps to protect your information.

Data Breach Response

In the event of a data breach that poses a risk to users:

- We will notify relevant authorities as required by law
- Affected users will be informed without undue delay
- Steps will be taken to contain and mitigate the breach

Children's Privacy

FeedIn does not knowingly collect personal data from children below the minimum legal age. If we become aware that such data has been collected, it will be deleted promptly.

International Data Transfers

Where data is processed or stored outside Nigeria, FeedIn ensures appropriate safeguards are in place to protect personal data in line with applicable laws.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Significant changes will be communicated through the Platform. Continued use of FeedIn means acceptance of the updated policy.

By using FeedIn, you acknowledge that you have read, understood, and agree to this User Agreement and Platform Policies.
